

SPECIFICATION & SUBMITTAL SHEET

ZIP-EZ™

Insulation fasteners for duct wrap, duct insulation and foam board

MADE IN THE USA

J.T. Products LLC
since 1999

A molded polypropylene disc that slips over a sheet metal screw and drives through the insulation into the duct in one shot. It holds duct insulation on mechanically, one per foot, at least twice as fast as tie wire.

ORDER

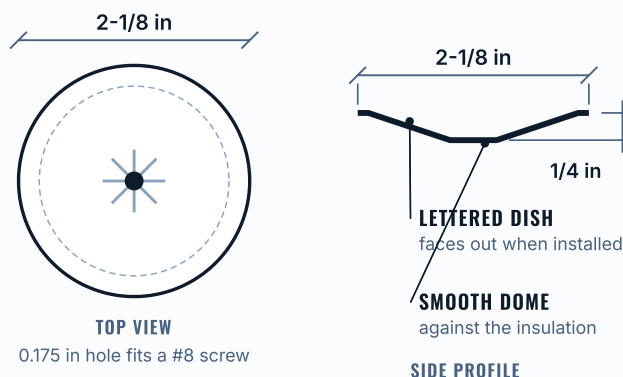

Zip-Ez, about 250 Amazon ASIN B00G3LT2RW
